You do not have to be a member of any guild to attend a workshop.

It is important for us to be able to contact you in the event that there should be a change in your workshop(s). If a workshop is cancelled, we will to contact you to make appropriate changes in your schedule or discuss other choices. While workshop sign-up and payment is possible at the conference, workshop seats are on a first come-first serve basis. To secure your place in a workshop, recommend sending payment for your workshops as soon as possible.

Our website will indicate when a specific workshop is full based upon the instructor's maximum number of students.
